FOR IMMEDIATE RELEASE

**CRAIG CAMPBELL SETS MAY 7 RELEASE DATE
FOR SOPHOMORE ALBUM *NEVER REGRET***

**Announces Inaugural Celebrity Cornhole Tournament June 4th 2013,
benefitting TJ Martell's Colon Cancer Research**

Nashville, TN...(March 28, 2013)...After selling more than a half-million tracks from his debut effort, Bigger Picture artist Craig Campbell today revealed on his [Facebook](#) page the street date and cover artwork for his highly anticipated sophomore album, *NEVER REGRET*. The twelve-song project, which features the evocative lead single "Outta My Head," will join the ranks of country music hit-makers Lady Antebellum and Pistol Annies to release on May 7, 2013. On this second record, Campbell continues to work with Grammy Award winning producer Keith Stegall (Alan Jackson, Zac Brown Band) and CCMA Album of The Year producer, Matt Rovey.

Shortly after the release of his sophomore record, Craig will host the inaugural Celebrity Cornhole Tournament to benefit the TJ Martell Foundation's colon cancer research efforts in honor of his late father. The announcement of June's event comes at a timely moment as National Colorectal Cancer Awareness Month is coming to a close. "This tournament will benefit colon cancer awareness and research, which I am very passionate about," states Campbell. With a smile in his eyes, Campbell continues, "my father passed away at the age of 36 from the disease, and what better event to benefit colon cancer care than a 'Cornhole' tournament." Just last week, Craig joined Alan Jackson to perform at the Stars Go Blue concert in Nashville to benefit the Colon Cancer Alliance.

The Craig Campbell Corn Hole Tournament will take place on June 4th from 2pm-7pm at the Public Square in Downtown Nashville as the unofficial kickoff to 2013's CMA Music Festival Week. Craig will be joined by fellow country artists and celebrity friends including Chase Rice, The Farm, Gloriana, Greg Bates, Jerrod Niemann, LoCash Cowboys, Love and Theft, Rachel Bradshaw, Australian duo Baylou, GAC's Suzanne Alexander, Titans Kicker Rob Bironas, and more to be announced. In addition to playing Cornhole with Craig and his celebrity friends, participants and attendees will be entertained by live music and great local food and drinks. Tickets for the event can be purchased [HERE](#).
