About the T.J. Martell Foundation:

The T.J. Martell Foundation is the music industry's leading foundation that funds innovative medical research focused on finding treatments and cures for cancer. The Foundation was founded in 1975 by music industry executive Tony Martell and his colleagues in loving memory of his son T.J., who died of leukemia. The Foundation has provided more than \$280 million for research at flagship hospitals in the United States. For more information, please visit www.tjmartell.org.
